Sir,

Ref:-G.O.Ms.No.1483 dated the 28th May 1955 directing the Collector of Malabar to appoin me, the present petitioner, as a peon in any of the offices in the district.

In connection with the G.O.under reference, I beg to hereby to represent the following for your benig consideration and sympathetic orders:-

As directed by the Government the Collector of Malabar has been pleased to appoint me as a peon in th Deputy Tahsildar's office, Quilandy on a salary of Rs.18/- p.m. But as a man with the burden of a family to support this salary is too inadequate to make both ends meet. Of course, I get Rs.12-7-0 besides by way of pension. But even this addition to my pay does not keep me above want. Further I am now attending to the various duties of a peon which by their varied nature are not quite suited to one whose right hand is disabled. In short, neither the pay nor the nature of the work allotted to me is now found suitable.

In this connection, I beg to bring to your kind notice that it was while I was working as a Head constable in the Armoury that the misfortunate accident occurred which resulted in the [redacted] of three of the

fingers of my right hand. Shortly after this I was reverted as a constable prior to my discharge from the Police force. But for this accident, I should not have been reverted as a P.C.; for I am aware of no other reason for this reversion. It will thus be seen that it was this accident that lowered me to the grade of a P.C. just before discharge. As for my work and conduct as a H.C. the Department will testify that they were absolutely faultless, nay meritorious.

Such being the history of my service in the Police force from which I was lately discharged, I beg to request the Government to be graciously pleased to favour me with a slightly higher position suitable for my disabled condition. The post of a P.W.D.maistry every way appears much more desirable and suitable for my condition; and it is hereby prayed that the Government may be pleased to take pity on me and direct the authorities concerned to favour me with the post of a maistry under the Public Works Department any where in Malabar.

Awaiting sympathetic orders.

I beg to remain,

sir,

Your most obedient servant

V-Madhavan Nair

Please see the petition from the Ex P.C. on pp. 1-2 ante & the remarks of the BS. & Rev. on p. 4 ante. The ex P.C. has been given an invalid pension and also injury pension & it was already decided that the break in service shd. not be condoned. Moreover he has been appointed as a peon in the Rev. Dept since he could not be retained in the police dept. It will therefore be seen that the petitioner has been given the maximum concession possible. The present request of the petitioner, who is a peon in the Rev. Dept. is for appointment in the P.W.D. as a mazdoor. Since the petitioner is not now in the police force, the request of the petitioner has to be dealt with in Rev. under whose control the
